

Hello Again Golfers,

Here's hoping that spring has finally come to your area of the country.

We have two points to share this time. One is for your information, the other is requesting information that you may have about any junior golf clinics that have been held in your area.

First of all we wish safe travels and good luck to our North American team who will be participating in the Ressmeyer Cup in Milan, Italy, this summer.

FYI:

2015 Ressmeyer Cup Matchplay Championship in Milan, Italy from June 21-26

North American Team: Four Canadians and 8 US players. The players were chosen from the IBGA handicap list with some changes to get the 4 Canadians we were required to have.

B1: Jim Baker, Brian MacLeod (Can) and Mario Tobia

Lady: Linda Port

B2: Ron Plath, Ty Thompson, Jeremy Poincenot and Derek

Kibblewhite (Can)

B3: Mike McKone, Harry Hester, Doug Penner (Can) and George Thirkill (Can)

Congratulations guys and gal and good luck.

Secondly, please notify Ty Thompson if you are involved with any Jr. Golf Clinics. Ty is putting the 2015 schedule on the web site. Ty's e-mail address is: **Error! Hyperlink reference not valid.**

Ty needs the following info:

Name of clinic, date and time of clinic, Host name, Sponsors of the clinic, USBGA member involved and name of school or organization where the kids come from. Thanks for your help with this worthy program.

That's it for now. Time to start thinking seriously about golf again.
